• **Comments:** Last week we spoke regarding the above referenced patent case. I just received your notice of allowance today. Thanks, my client is overjoyed.

You had pointed out that the declaration was defective. Per your request attached is a supplemental Declaration signed by both inventors. The mailing address for each is specified as "the same". The first inventor's citizenship is actually UK, where it was originally indicated as US. This too has been corrected.

I will send a hard copy of the supplemental declaration. Please call if you need anything or if you have any more specific instructions.

Yours truly,

Kevin Fortin
